ACTIVITIES

2017-18

NCC (National cadet corps) is a tri-services organization comprising the Army, Navy and Air-force, engaged in grooming the youth- 'The Leaders for tomorrow'- into disciplined and patriotic citizens. The genesis of the NCC can be traced back to the first world-war when the Britishers created the University corps as the second line of defense and to have a large pool of trained youth for employment in the Armed forces. After Independence under the ministry of defense NCC came in to existence on 16 April 1948. The motto of NCC is: "UNITY AND DISCIPLINE". The aim of the NCC is to develop Character, discipline, leadership, spirit of Adventure and ideals of selfless service amongst the youth of the country.
