SWACHH BHARAT ABHIYAN

Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. This program was conducted on 2.10.2020 on the day of Gandhi Jayanti by the NCC Unit of college in the form of campus cleaning drive but this year due to the COVID-19 Pandemic & unprecedented lockdown, we couldn't organise this event in our college. Instead this year the cadets were engaged in cleaning their residence & its surroundings. All of our cadets took part in this activity & the photographs were shared on the college's Social Media groups. The photographs are as follows:-
