AATMA NIRBHAR BHARAT

The first mention of this came in the form of the ‘Aatmanirbhar Bharat Abhiyan’ or ‘Self-Reliant India Mission’ during the announcement of India’s COVID–19 pandemic related economic package on 12 May 2020. A new scheme for a new India, it is 2020, a year with lots of ups and downs and there were many new things to see and feel this year. Either it was the medical sector small industry; everyone got directly affected this year. It is a hard time for not only us , but also for the nation. Different countries are trying their best to develop their nation because everyone got affected this year due to the corona epidemic. Our prime minister also launched a new scheme named as aatma nirbhar bharat. Many of us can directly avail of the scheme and modiji in his speech announced that ;

“This economic package is for our cottage industry, home industry, our small scale industry, our MSMEs , which is a source of livelihood for millions of people, which is strong foundation of our resolve for a self-reliant India.” This clearly indicates that most of all the industries can directly be a part of this scheme. This scheme also encourages our youth to develop their own bunnies and develop new jobs for others.

Our development indicates the development of our nation, so we should try our best for developing ourselves. The government can only launch a scheme but is our duty to bring it into action. Many of us simply like to have a 9 to 6 job because business is risky sometimes but we should come out of our comforts on try something new when we are getting such an good opportunity. On the occasion of Aatmanirbhar Bharat campaign our cadets draw poster and participate in Aatmanirbhar bharat-swach bharat quiz competition organized by ministry of defence on 31/07/2020.

INTERNATIONAL YOGA DAY

The first International Yoga Day was observed on 21 June 2015 after the United Nations approved a resolution to devote a day to focus on the invaluable benefits of this holistic wellness system - a gift of Indian tradition to humanity.

Earlier, the incumbent Prime Minister of India Narendra Modi had insisted upon the global community in a speech delivered at the United Nations General Assembly (UNGA) on 27 September 2014 that an International Yoga Day should be adopted to promote awareness about the benefits of yoga across the world. International Yoga Day is a day to spread awareness about the invaluable benefits of yoga for the holistic wellness of humans. It is not a public holiday. NGOs, universities, schools and colleges organise special events on this day to spread the message and knowledge of yoga among the masses.

On the first International Yoga day, a global record was created by organising the largest yoga class ever. Yoga has its roots in India. However, for quite some time, yoga has been known to the international community with yoga classes offered by expert trainers in several countries.

International Yoga Day of this year will be celebrated on Monday, 21 June 2021. Due to the Covid-19 pandemic, the way this day is celebrated has changed phenomenally. There will not be mass programmes and events to commemorate this day in 2021.

Year on year, a special theme is announced for the International Yoga Day. The theme for the International Yoga Day 2021 is **‘Yoga for well-being’**. This theme has been conceived to stress on the importance of the role of yoga in the care and treatment given to Covid-19 patients during the quarantine period. The implication of the theme ‘Yoga for well-being’ is to promote the awareness regarding how the practice of Yoga can help maintain and promote the holistic health of the body, mind and spirit of every human. .Our respected principal Dr M.R. INDEPENDENCE DAY CELEBRATION 2021

The Independence Day of India, which is celebrated religiously throughout the Country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. This day has a special significance as it marks the beginning of the 75th year of India's independence for which 'Azadi Ka Amrit Mahotsav' is being celebrated by ministry of culture.
